

Girish Radio Corporation

<http://www.girishradiocorp.com/>

Known as a reliable trader, exporter and wholesaler, we are engaged in offering the premium quality of Cables and Speakers. Owing to their electric stability, impeccable finish and thermal stability, these cables are highly demanded.

About Us

Appreciated, valued and recognized among its clients for the purpose of trading, exporting and wholesaling Cables and Speakers, **Girish Radio Corporation** was established in the year **1971**. Consists of Cables, Wires and Data Cable Accessories, we offer a wide range of products. For the purpose of ensuring the best quality, the offered cables and speakers are procured from some of the trusted and reliable vendors of the industry. With the aid of our rich vendors' base, well-designed warehousing unit and skilled professionals, we have been able to meet and manage the bulk demands in the most efficient manner. Offered by us at industry leading prices, these cables and speakers are known for their thermal & voltage stability and longer serving life. Petro-chemical plants, Paper mills, Cement plants and Sugar mills, are some of the companies where our products are highly demanded.

Since the inception of our company, we have been backed and supported by a team of skilled professionals, who hold expertise in their area of work. Committed to attain a hassle-free working environment, our professionals work in close coordination with each other. Moreover, our professionals ensure the delivery of the offered cables and speakers at the clients' end within the assured time frame.

Mr. Rajesh Goyal (Manager) has helped us in catering to the precise needs and requirements of our esteemed clients. Some of our valuable clients...
